PARLIAMENT HOUSE
CANBERRA

11 September 1991

President Vytautas Landsbergis
Supreme Council
Republic of Lithuania

Dear Mr President

On behalf of the members of the Senate of the Commonwealth Parliament of Australia I wish to express our elation that for the first time in fifty one years the peoples of Lithuania and the other Baltic states are able to enjoy full sovereignty and freely participate in international affairs.

I look forward to the establishment of close co-operation and friendship between our two Parliaments to compliment the work of our Governments in building the bilateral relationship.

Mr President, may I wish you and the Members of the Parliament of Lithuania every success for the future and assure you of the support of the people of Australia and their representatives in our Parliament.

Yours sincerely

Kerry W Sibraa
