

Dear Mr President,

Sir I too
am appalled at the lack
of support, for your brave
Country, from the leaders of
the west, once again they
do nothing to combat
Communist Aggression.

I show my support
for your country with £5
(enclosed). Lithuania does
have friends in the west

ALEA JACTA EST. Yours
LONG LIVE FREE LITHUANIA
DON'T GIVE IN TO
DICTATOR GORBACHEV.
Sincerely Pitt
